

Charles Foster's Articles and Books

Charles Foster's Book

Paco

Baby Paco.

When Paco was a baby he liked to eat stickers. He loved to chew sticks. He was a hiker. His favorite toy was an octopus and he swung it like a wrecking ball. He ate kibble. My brother and I used to play Pacorun.

Paco and Honey

When Paco was 2 we got Honey. She is a Rottweiler. When she was 1 week old she stole my mom's phone. She ate anything. When Honey was 2 she got the comb of same.

Later Paco

When Paco turned 3 he turned 21. He had a cone on his head. Paco loved to lick. A funny thing is Paco jumped over a box.

About the author

I am 8. I love dogs. My favorite app is minocraft. When I am older I want to be a scientist. I have two dogs.
